Just as I thought it was going al-right, I find out I'm

wrong when I thought I was right, It's always the same it's just a shame that's all I could

say day, and you'd say night, Tell me it's black when I know that it's white Always the same it's

just a shame, that's all I could leave but I won't go though my heart might tell me so

I can't feel a thing from my head down to my toes But why does it always seem to be me looking at

you you looking at me It's always the same It's just a shame That's all Turning me on, turning me off, making me

feel like I want too much Living with you is just a putting me through it all of the time Running a-

round staying out all night, taking it all instead of taking one bite Living with you is just a putting me through it all of the

time I could leave but I won't go, it'd be easier I know I can't feel a thing from my head down to my

toes Why does it always seem to be me looking at you, you looking at me It's always the same it's just a shame

that's all Truth is I love you, more than I wanted to there's no point in trying to pre- tend

There's been no-one who, makes me feel like you do say we'll be together, 'til the end

Ooh ooh Ooh ooh Ooh ooh yeah I could leave but I won't go, it'd be easi- er I know I can't

feel a thing from my head down to my toes So why does it always seem to be me looking at you, you looking at me
