Just as I thought it was going al-right, I find out I'm

wrong when I thought I was right, It's always the same it's just a shame that's all I could

say day, and you'd say night, Tell me it's black when I know that it's white Always the same it's just a shame, that's all

I could leave but I won't go though my heart might tell me so I can't feel a thing from my head down to my toes

But why does it always seem to be me looking at you you looking at me It's always the same It's just a shame

That's all Turning me on, turning me off, making me feel like I want too much

Living with you is just a putting me through it all of the time Running a-

round staying out all night, taking it all instead of taking one bite Living with you is just a putting me through it all of the

time I could leave but I won't go, it'd be easier I know I can't feel a thing from my head down to my toes Why does it

always seem to be me looking at you, you looking at me It's always the same it's just a shame that's all

Truth is I love you, more than I wanted to there's no point in trying to pre-tend

There's been no-one who, makes me feel like you do say we'll be together, 'til the end

Ooh ooh ⁵ Ooh ooh ⁵ Ooh ooh yeah I could leave but I won't go, it'd be
